Subject: [Action Required] Reset Your Corporate Password - Expires Today

Message-ID: <IT20260428@companyname-support.net>

X-Mailer: SendGrid 9.1

Hi [Employee],

Our systems have flagged that your corporate password is due to expire today at 5:00 PM.

Failure to reset your password before expiry will lock you out of all company systems including email, Slack, and internal portals.

Please reset immediately using the link below:

👉 Reset Password: http://companyname-itportal[.]net/reset?token=EMP2026

Note: This link expires in 2 hours.

If you did not request this, contact IT immediately at:
it-helpdesk@companyname-support.net

Subject: ⚠️ URGENT: Your Account Has Been Suspended

Message-ID: <84729301@firstnationalbank-alerts.com>

X-Mailer: PHPMailer 5.2.0

Dear Valued Customer,

We have detected unusual login activity on your First National Bank account.

To protect your funds, we have temporarily suspended your account.

You must verify your identity within 24 hours or your account will be

permanently closed and funds frozen.

👉 Restore Access Now: http://firstnational-secure-verify[.]com/account/restore

You will need to provide:

- Full name
- Date of birth
- Account number
- Online banking password
- OTP sent to your phone

This is an automated security alert. Do not ignore this message.

Regards,

First National Bank Security Team

Subject: 📦 Your Package Could Not Be Delivered - Action Required

Message-ID: <PKG884521@dhl-trackingportal.com>

X-Mailer: Mailchimp 3.0.4

Dear Customer,

We attempted to deliver your package (Tracking No: DHL-ZA-20260428-88452) today but were unable to complete delivery due to an incomplete address.

To reschedule your delivery, please confirm your delivery address and pay a small redelivery fee of R25.00.

👉 Confirm & Pay: http://dhl-za-redelivery[.]com/confirm?pkg=88452

Your package will be returned to sender in 48 hours if no action is taken.
